

COMMUNITY-WIDE
STANDARDS
FOR

The Ridge

Dear Ridge Homeowner,

The Board of Directors for The Ridge has established Community Wide Standards (CWS) to maintain the quality, appearance, and enhance the property values of our community. The Community Wide Standards may alter, expand on, or further define the Covenants. When considering external modifications to your property you should review the Protective Covenants and Community Wide Standards. Provided is a copy of the Community Wide Standards for your review and use.

Covenants and Community Wide Standards protect Neighbors. All property owners and tenants are subject to the Covenants and the Community Wide Standards and have agreed to comply with them. In turn, they rely on their neighbors' promises that they too will comply. Most problems can be resolved, and unnecessary complications avoided, by a thorough understanding of the Protective Covenants and Community Wide Standards.

Don't Copy your Neighbors. When you consider altering or improving your property, do not rely on what your neighbors have done or said regarding their property. It may have been permitted under previous Community Wide Standards but not under the current standards. The changes may not have been approved or may have been disapproved and require modification or removal.

Changes by Previous Owners. Purchasers of a previously occupied property sometimes are surprised and disturbed when they receive notice that the previous owner made an unapproved alteration or addition, and they are now in violation of the Covenants or the Community Wide Standards. Current owners are responsible for any existing violations. Any owners who find themselves in this situation should submit a Modification Approval Form with an explanation of the circumstances.

Improvements or Alterations that preceded these Community Wide Standards. Changes made to the exterior of the property prior to the implementation of these Community Wide Standards are "grand fathered" and will not require removal or remediation so long as they do not violate the Covenants, Conditions and Restrictions.

The Board - Members are authorized by the covenants to adopt and enforce Community Wide Standards governing property use, maintenance requirements, improvements, additions and modifications to property.

The Approval Process - In the event you wish to make external modifications or improvements to your property please complete the Modification Approval Form, and fax, email or mail it with attachments to the property management company. Your request will be reviewed and approved or disapproved within thirty days of submission.

The following are provided to be advisory in nature and are not intended to totally recite nor amend the Covenants, Conditions and Restrictions for The Ridge and its amendments nor, limit or encompass all the Community Wide Standards.

I. DESIGN REVIEW BOARD GENERAL OVERVIEW

The Board administers the standards and requirements set forth in the Protective Covenants.

It should always be remembered that the sole purpose of this committee and these associated Community-Wide Standards is to help preserve the quality appearance of The Ridge and thereby ensure the value of all property within this subdivision. This document shall describe in detail the necessary guidelines and processes required to maintain those standards and requirements.

Please note that this document is in addition to The Ridge Covenants and Bylaws.

II. ARCHITECTURAL STANDARDS

No exterior construction, alteration, or addition of any nature to the home or property shall begin until The Ridge Modification Approval Form has been submitted to the Design Review Board and an approval has been received from this committee. Examples of items requiring this approval are painting, siding replacement, deck additions, ponds, fences, tree removal, major landscape changes, home additions, etc.

All exterior construction, alteration, or addition must be in accordance with Fulton County laws. Once approval has been received from the Board, all necessary permits must be obtained from Fulton County, and a copy of these permits given to the Board, prior to any work being done.

The Ridge Modification Approval Form can be obtained from The Ridge Website, www.theridgejc.com. Please submit this form to the management company. Allow 30 business days for review. Submit the MAF far enough in advance of when you wish to begin your project so that the Board has sufficient time to review the request.

Please refer to The Ridge Amended and Restated Declaration of Protective Covenants, for specific information regarding Limitation on Exterior Modifications, Standards and Interpretation, Application Process and Review, Ruling on Application, Appeal, Commencement and Completion of Construction, Professional Consultants and Fees, Limitation of Liability, and Use Restrictions.

III. APPLICATION & REVIEW PROCESS

The following is the process for submitting a Modification Approval Form and obtaining approval:

1. Complete Modification Approval Form which is online www.theridgejc.com
2. Submit form through email/fax to CMA The Ridge Property Manager
3. The Board will review request and have Property Manger contact homeowner for additional information as necessary
4. CMA will contact homeowner with approval/disapproval in writing.

IV. NON-COMPLIANCE WITH COVENANTS & COMMUNITY-WIDE STANDARDS (Including failure to obtain approval from Design Review Board by submitting Modification Approval Form)

In order to ensure that the Covenants and Community-Wide Standards (**CWS**) are adhered to, and thereby preserve the appearance and value of the homes in our Community, a notification and fining system has been established as follows:

1. VIOLATION OF COVENANTS/COMMUNITY-WIDE STANDARDS

Violation and Fine Schedule

- Friendly Courteous Letter
 - Notification letter sent to Owner provides a courteous way to inform the Owner of their violation;
 - Owner is given 10 calendar days after this letter is sent to cure the violation. It is the Owner's responsibility to notify the Management Company and the Design Review Board when the violation is cured.
- Final Notice
 - This letter provides the Owner information regarding potential sanctions for the violation;
 - Owner is given 10 calendar days after this letter is sent to cure the violation or request a hearing before the Board of Directors to challenge the violation notice. It is the Owner's responsibility to notify the Management Company and the Design Review Board when the violation is cured.
- Fine Notice
 - Notice of fine of \$25.00 every ten days to begin imposition;
 - On the 20th day the fine goes to \$25 a day;
 - Fines will continue until the violation is cured;
 - It is the Owner's responsibility to notify the Management Company when the violation is cured.
 - Repeat offenders of the same CWS will go immediately to 25 dollars a day fine starting with the second violation.

Other sanctions will be effective until the compliance is made and the Board has confirmed this compliance. These actions may include, but are not limited to:

- Suspending the rights of all residents (and guests of residents) of the home currently in violation to use the Common Areas.
- Common Areas include the pool, tennis courts, clubhouse, playground, etc.
- If a homeowner (or guest of homeowner) use the Common Areas once rights have been suspended, the homeowner is subject to a \$100 fine per occurrence for using said Common Area

- Association may terminate services paid for as a common expense; i.e. lawn maintenance, etc. Homeowner is responsible for maintaining compliance with other homes. Mowing lawn, trimming bushes, edging etc. until they have services restored.
- The rights of the homeowner to vote on any issues concerning The Ridge being suspended.
- This shall constitute an automatic statutory lien against the property and a binding personal obligation. Before refinancing or selling the home, these fines and costs must be paid in full so that the lien can be removed. A Notice of Lien being filed in Fulton County land records on the property.
- Any costs incurred by The Ridge Homeowners Association from any actions taken, including legal fees, will be recovered from the violating homeowner.
- Before refinancing or selling the home, these fines and costs must be paid in full so that the lien can be removed.
- Failure to pick up after pet waste is an immediate \$250 fine.

2. "Collection Policy for Delinquent Dues and Assessments"

The annual assessment is determined every year. The Ridge has two options for payment. You can pay your assessment in full on January 1st or choose to pay half January 1st and the second half March 1st.

- The annual assessment is due on January 1 (\$x) and if you choose the second payment on March 1 (\$x)
- Late fees are assessed on February 1 and April 1 of 10% of each late payment (\$x)

The Association may cause a notice of delinquency to be given to any Owner who has not paid within ten (10) days following the due date. In the event that the assessment remains unpaid sixty (60) days after notice is sent, the Association may institute suit to collect such amounts and/or to foreclose its lien. Homeowner is responsible to pay any legal fees incurred by Association in the collection of past due assessments.

Other sanctions will be effective until the delinquent account is brought current. These actions may include, but are not limited to:

- Suspending the rights of all residents (and guests of residents) of the home currently in violation to use the Common Areas.
- Common Areas include the pool, tennis courts, clubhouse, playground, etc.
- If a homeowner (or guest of homeowner) use the Common Areas once rights have been suspended, the homeowner is subject to a \$100 fine per occurrence for using said Common Area
- Association may terminate services paid for as a common expense; i.e. lawn maintenance, etc.
- The rights of the homeowner to vote on any issues concerning The Ridge being suspended.
- This shall constitute an automatic statutory lien against the property and a binding personal obligation. Before refinancing or selling the home, these fines and costs must be paid in full so that the lien can be removed. A Notice of Lien being filed in Fulton County land records on the property.

- Any costs incurred by The Ridge Homeowners Association from any actions taken, including legal fees, will be recovered from the violating homeowner.
- Before refinancing or selling the home, these fines and costs must be paid in full so that the lien can be removed.

V. SPECIFIC COMMUNITY-WIDE STANDARDS

(In addition to Covenants)

1. Fences

Upon approval only by the Design Review Board. No bare metal chain link fences, hog wire or barbed wire fence will be allowed. Applications for fences will be reviewed on a case by case basis.

All fences must be constructed with quality weather-resistant materials (pressure treated lumber, masonry, PVC, ornamental aluminum or ornamental iron). Fences may be painted or stained to compliment the primary structure; however, a sample of the color must be submitted to the Design Review Board for approval prior to beginning work.

The style of fence must be consistent with other fences in the neighborhood so as to maintain a pleasant aesthetic appearance.

Fences shall be structurally sound so as to withstand severe weather conditions. All fences shall be properly maintained and kept in good repair. Fence shall be built toward Fulton county regulations.

Fences are allowed to be constructed along property lines or inside property at the rear and side of property lines with a maximum height of 6 feet. The owner shall construct the fence so that plank side is exposed to street or neighbor.

Fences must have a minimum of one walk-in gate. Double-wide and swing-style gates are also acceptable.

All fences shall meet Fulton County guidelines as per height and placement.

Old fences that are not in good condition, rotting or rusting are to be removed.

2. Woodpiles

May not be visible from the street and the side yards of any neighboring property.

3. Barbecues

Are not permitted in the front or side yards.

4. Out-Buildings, detached buildings, dog houses and tool sheds

Are not permitted.

5. Gazebos

Upon approval only by the Design Review Board. Gazebos shall be constructed of quality weather resistant materials. Gazebos may be painted or stained to compliment the primary structure; however, a sample of the color must be submitted to the Design Review Board for approval prior to beginning work.

Structure shall be built at a minimum of 10 feet inside side and rear property lines.

Gazebos shall be constructed to county code specifications and be built so as to properly support weight requirements.

Gazebos shall be structurally sound so as to withstand severe weather conditions.

6. Painting

Painting or staining of any surface of home anywhere on property must be approved by the Design Review Board. All new structures or additions where painting and/or staining is required must be consistent with other permanent structures on property so as to maintain a pleasant aesthetic appearance.

While there is no color list or chart of required colors for The Ridge, the general color scheme for our community is that of neutral or earth tones. This color scheme is in keeping with the traditional style of the neighborhood. When submitting a request for approval to the Design Review Board please include a sample of your proposed color(s).

The Design Review Board does not dictate frequency of repainting, but reminds homeowners of the requirement to maintain their homes as established in the Protective Covenants.

While the Design Review Board does not set standards for proper surface preparation it is essential for a good paint job. When repainting your house, it is a good idea to get several estimates and check the painter's references. Does his track record include good surface preparation? If you are planning to do the job yourself, the following checklist provides a brief overview of necessary surface preparation prior to painting:

- house should be completely pressure washed
- all window and door openings caulked
- all nail holes caulked
- replace decayed wood trim or siding
- repair/replace damaged gutters
- apply primer to any exposed wood surfaces

Any deviation from the houses original paint color requires approval by the Design Review Board.

7. Decks

Decks must be constructed of quality weather-resistant materials and treated with appropriate water sealer. Decks may be painted or stained to compliment the primary structure; however, a sample of the color must be submitted to the Design Review Board for approval prior to beginning work.

Boundaries of decks must comply with property line offsets that apply to out-buildings.

Decks must be built within county code and proper safety specifications as to support proper weight and withstand severe weather conditions.

Any deviation from the original deck requires approval by the Design Review Board.

8. Roofing

Any deviation from the houses original roof type, weight and color requires Design Review Board approval.

9. Siding

Any change from the houses original siding requires approval of the Design Review Board.

10. Driveways & Concrete Pads/Patios

Upon approval only by the Design Review Board. Driveways must be constructed of concrete. Asphalt driveways or repair patches are prohibited.

Driveways, concrete slabs and patios shall be a minimum of 4 inches in thickness with proper rod and wire reinforcement to support 2500 PSI and expansion joints at 20 foot intervals.

All driveways located on the property must be free of large cracks and holes due to settling and/or damage. This also includes parking pads and any concrete patios on the property.

11. Play Equipment / Basketball Goals / Hockey / Soccer etc

Basketball goals shall not be mounted to a permanent home structure, but to a freestanding pole properly mounted and secured to vendor specifications.

Permanent Basketball Goals - must be approved by the Design Review Board.

- May not be mounted to the house.
- Poles should be black and the backboards should be white, clear or earth tones in color.
- Must be located at least 20 feet from the street or sidewalk and 10 feet back from the front corner of the house.
- Basketball goals shall not be mounted as to interfere with common grounds, walkways, or driving areas within the subdivision.
- Backboards shall be of Plexiglas or Fiberglass construction.

12. Portable Basketball, Hockey, and Soccer Goals, etc.

Are not permitted to be placed in or near the side walk or street.

- Hockey and soccer goals must be placed in the backyard so as not to be visible from the street.
- Volleyball nets, tether ball poles and badminton nets must be placed in the backyard so as not to be visible from the street.
- Bike, Skateboard or Roller Blade Ramps - are not permitted.

13. Play Structures, Swing Sets - must be approved by the Design Review Board.

- Must be located so that they are not visible from the street.
- Must be made of natural materials and earth tones in color.
- Must be no more than 12 feet above grade.
- Metal play structures are not permitted.

14. Storm Windows and Doors

Storm windows are not permitted.

15. Lighting

Lighting shall be installed in accordance with the latest version of the National Electrical Code.

Sodium vapor security lights are prohibited.

Security lights mounted on house, out-building or freestanding structure shall not be mounted in such a way that the light would shine on or directly at another property.

Exterior lighting bulbs must be white or clear, with the exception of seasonal holiday decorative lights which may be used temporarily only during the holiday season.

Lighting modifications, other than seasonal lighting, must be approved by the Design Review Board. No lighting fixture may create a glare or a level of illumination that is offensive or inappropriate when viewed from an adjacent property. Lights mounted on buildings, poles or trees to provide general illumination must be mounted in fixtures which shield visibility of the lamp from the street or adjacent property and direct the illumination upward or downward.

16. Pools

Upon approval only by the Design Review Board. Any pools constructed must be of the in-ground type. Under no circumstances will above-ground pools of any type be allowed.

Pools must have a privacy fence for safety and security purposes in accordance with Fulton County laws.

Boundary guidelines are the same as for decks and outbuildings.

17. Exterior Hot Tubs and Spas

Requires the approval of the Design Review Board.

18. Mailboxes

Mailboxes are to be made of Cast Aluminum or Iron and Brass Numbers. The material doesn't rot and is very low maintenance but will require regular painting. The mailboxes must conform to all other mailboxes in the neighborhood. The numbers in the mailbox are to be Brass and the mailboxes are to be painted using a semi-gloss black metal paint. Brass numbers are to be kept polished and easily readable from the street. Addresses of Distinction carry The Ridge mailbox. Williamsburg series, post one, box one, number plate one, two inch brass numbers. There are no exceptions.

19. Landscaping & Tree Removal

Any landscaping project undertaken for the purposes of property sight improvement that would include moving, addition or removing of large amounts of dirt, retaining walls or tree removal must be approved by the Design Review Board on a case by case basis.

Regular mowing, edging, weeding and pruning of shrubs and trees are all part of the continuing maintenance process. All grassy areas shall be green and free of weeds. All planting beds shall be well-mulched and free of weeds. Any and all gardens shall be created out of site from the street and shall be maintained so as not to create an eye sore to their neighbors. Yard shall be free of any tree branches or limbs that have fallen in yard. Turf (Zoysia or Bermuda in front and side yards) replacement due to decline, shade, erosion and tree competition is the responsibility of the homeowner.

Curbs/road should be free from any yard waste or debris.

No trees shall be removed without the prior approval of the Design Review Board, except for (a) diseased or dead trees; (b) trees needing to be removed to promote the growth of other trees; or (c) for safety reasons. No trees over a diameter of four (4) inches and/or over a height of six (6) feet shall be removed without the prior approval of the Design Review Board. All dead trees, dead wood, hazardous trees are the responsibility of the homeowner to remove.

Any issues with the HOA selected landscape Maintenance Company needs to be reported to yard@theridgejc.com or the landscape maintenance company and a board member as soon as noticed or complaints will not be addressed. The HOA is not responsible for enhancements to private property.

Alteration or addition of landscaping, other than seasonal color, must be approved by the Design Review Board.

20. Patios and Walkways

- A Modification Approval Form (**MAF**) must be submitted for any new patio and/or walkway.
- A MAF must be submitted for any change to an existing patio and/or walkway.
- A MAF must be submitted for patio covers, trellises, permanent seating, railing and other items not enumerated above.
- A MAF must be submitted for any outdoor entertainment including, but not limited to, speakers, TV's, fireplaces and fire pits.

21. Hard Scape Edging for Flowerbeds

Limited to natural materials, earth tone colors and no higher than 6" above grade.

22. Antennas and Satellite Dishes

Any such device is not to be located on the front of a house or on a pole anywhere in the lot. Placement must be in a location that is the least conspicuous, with limited or no visual impact. Must be approved by the Design Review Board. Antennas are not permitted.

23. Nuisance

It shall be the responsibility of each Owner and Occupant to prevent the development of any unclean, unhealthy, unsightly, or unkempt condition on his or her property. No property within the Community shall be used, in whole or in part, for the storage of any property or thing that will cause such property to appear to be in an unclean or untidy condition or that will be obnoxious to the eye; nor shall any substance, thing, or material be kept that will emit foul or obnoxious odors or that will cause any noise or other condition that will or might disturb the peace, quiet, safety, comfort, or serenity of the occupants of surrounding property. No noxious or offensive activity shall be carried on within the Community, nor shall anything be done tending to cause embarrassment, discomfort, annoyance, or nuisance to any person using any property within the Community. There shall not be maintained any plants or animals or device or thing of any sort whose activities or existence in any way is noxious, dangerous, unsightly, unpleasant, or of a nature as may diminish or destroy the enjoyment of the Community. Without limiting the generality of the foregoing, no speaker, horn, whistle, siren, bell, amplifier or other sound device, except such devices as may be used exclusively for security purposes, shall be located, installed or maintained upon the exterior of any Residence unless required by law. Circumstances defined as a nuisance to the Community include, but are not limited to, screaming, shouting, excessively loud talking, fighting, raucous behavior or insobriety, threatening or intimidating conduct which creates any danger or risk of injury, conduct which creates any noxious or offensive odor, or conduct which interferes with the peaceful use and enjoyment of other Owners or Occupants.

No dumpsters or trailers are to be parked in the street.

24. Utility Lines

No overhead utility lines, including lines for cable television, shall be permitted within the Community, except for temporary lines as required during construction.

25. Energy Conservation Equipment

No solar energy collector panels or attendant hardware or other energy conservation equipment shall be constructed or installed unless they are an integral and harmonious part of the architectural design of a structure, as determined in the sole discretion of the Design Review Board. No energy conservation equipment shall be visible from the street.

26. Artificial Vegetation, Exterior Sculpture, Fountains, Flags, Trellises, Benches, Arbors and Similar Items

No artificial vegetation shall be permitted on the exterior of any property. Exterior sculpture, fountains, flags, and similar items must be approved by the Design Review Board. There is a limit of five exterior items per home with approval by the Design Review Board.

27. Air Conditioning Units

No window air conditioning units may be installed.

28. Window Treatments

All window treatments visible from the exterior must be of a neutral, solid color. No graphic designs, words or lettering of any type shall be visible from the exterior. No blankets, Flags or bedding of any type are to be used as window treatments.

29. Parking

No vehicles are to be parked on the street, with the exception of short-term (less than 24 hours) social situations. No long term (more than 24 hours) Trailers are not allowed in the street or in Driveways.

30. Unlicensed Vehicles

No unlicensed vehicles of any type are to be driven on the streets or in yards.

31. Littering

There is a \$250 littering fine. This includes discarding dog poop bags other than in a trash can. **Litter** consists of waste products that have been disposed of improperly, without consent, in an inappropriate location.

32. Pets

No animals, livestock birds or poultry shall be bred or kept. House pets are permitted so long as they are not maintained for commercial purposes. Barking and/or other pet noises should not become a nuisance to other homeowners. Pets may not be left outside for extended periods without the

owner present. Owners must clean up after their pets. There is a \$250 fine for each occurrence that a pet owner does not pick up after their pet.

House Pets - No pet shall be allowed to make an unreasonable amount of noise or to become a nuisance.

- A pet must be on a leash at all times it is walked or exercised on common property.
- Pet owners should immediately remove pet excrement from common property, neighbor's property and their own.
- No wire fencing of any type is allowed for dog runs or other animal enclosures.

33. Unsightly or Unkept Conditions

Assembly or disassembly of motor vehicles or other mechanical devices must only occur in enclosed garages. Backyards are to be maintained (a natural wooded area is permitted free from manmade debris, material and other items covered in CWS), kept free of clutter and are not be to be used as a storage area.

34. Drainage

No obstructions or debris should be placed in catch basins or drainage areas.

35. Sight Distances

Nothing should block sight distances at intersections.

36. Clotheslines

No exterior clotheslines of any type are permitted.

37. Garbage Cans

Must be stored in the garage or in an area that is not visible from the street or neighboring homes.

38. BB Guns, Paint Ball Guns, Bow and Arrows, Illegal Fireworks and Firearms

May not be discharged in the Community.

39. Signs

No sign of any kind shall be erected within the community without prior written consent of the Design Review Board.

40. Flags

American Flags and decorative flags no larger than 4 by 6 ' do not require Design Review Board approval. Flags may not contain any form of advertising, club or group affiliation insignia or demonstrate any political or religious affiliation or conviction. Flag poles are not permitted.

41. Towed Vehicles, Motor Homes, Trailers, Boats, or Mobile Homes

Shall be kept in a garage if it is parked in the Community longer than 24 hours. However, they may not be parked in a garage if they displace an automobile that is then parked outside.

42. Owners or Occupants Automobiles

Other than temporary visitors or guests, automobiles must be parked in the garage; to the extent garage space is available. Garages should not be used for storage or otherwise so they become unavailable for parking cars.

43. Motorized Vehicles

None are permitted on sidewalks, pathways or unpaved common property.

44. Storage of Garden Hoses/Gardening Equipment

Garden hoses and other gardening equipment must be stored out of site from the street or neighboring lots when not in use.

45. Holiday Decorations

Holiday Decorations may be displayed during the period beginning the weekend before Thanksgiving through January 15.

46. Vehicle Parking

Construction, service, delivery and other commercial vehicles may be parked in the community during daylight hours for such period of time as is reasonably necessary to provide service or make a delivery; or, if parked in the community for periods longer than twenty-four (24) hours, must be kept in a garage or other area designated by the Board.

VI. Common Area Use

Common areas, including tennis courts, pool. Clubhouse, gazebos, play areas are for the use and enjoyment of all homeowners. They are maintained by the association. No one may allow animals to roam off leash. Open fires are not permitted. Loud and boisterous activity is not permitted in the common areas. You may not plant, prune or cut trees, shrubs or any other vegetation in the common areas. No personal items or vehicles may be stored in common areas.

47. Community Pool

See “Pool Rules” at www.theridgejc.com for additional information.

- The pool is for homeowner’s in good standing and their guests. Any household deemed not to be in good standing with the community rules, whether it be delinquent payment of dues or any other infraction is subject to losing their right to use The Ridge pool. The suspension will last until the problem has been resolved and applies to all members of the household. The property manager will also require that the household return the tennis/pool gate key for the duration of the suspension. Furthermore, the pool committee will be made aware of the non-compliant household and that the resident is no longer allowed to use The Ridge courts until the issues have been resolved. Household is subject to fine if violation is determined.
- Resident must have their amenities key in order to access the pool area. You are considered a guest if you do not bring your key.
- Pool hours – see “Pool Rules”. Once life guard leaves in evening the pool is closed.
- Once the pool is closed in the evening or at the close of the season you are considered to be trespassing if in the pool area.
- The number of guests is limited per household – See Pool Rules for details.
- Children under the specified age as outlined in the “Pool Rules” must be accompanied by an adult.
- No running, boisterous, or rough play is allowed in or around the pool area.
- Everyone is required to shower before entering the pool.
- Swim diapers or a rubber diaper swim cover is required for all children who are not toilet trained.
- No spitting or blowing nose in the pool.
- Persons with contagious illnesses should not enter the pool or pool area.
- No animals or pets are allowed in the pool area.
- No glass or glass containers are allowed in the pool or pool area.
- Drugs and alcohol are not allowed in the pool area. Persons under the influence of drugs or alcohol are prohibited from the pool and pool area.
- Smoking or tobacco products of any kind are prohibited from the pool and pool area.
- Maximum number of swimmers allowed by the HOA is 25 to ensure overall swimming enjoyment and safety for residents. For special occasions a wavier can be requested and an additional life guard must be hired and paid for by the individual seeking the waiver.
- First aid kit is located in the pump room. Please contact 911 or the Fulton County Police in the event of an emergency.
- Proper swim attire is required. No cut-offs, shorts, shoes, or street clothes are allowed in the pool.
- No one is allowed to swim alone. Please have a buddy present at all times.
- The Association is not responsible for any accidents or injuries while using the pool.
- Swim at your own risk.
- For further details please refer to the “Pool Rules”.

48. Tennis Courts

See “Tennis Rules” at www.theridgejc.com for additional information.

- Tennis Courts are for homeowners in good standing only. Any household deemed not to be in good standing with the community rules, whether it be delinquent payment of dues or any other infraction is subject to losing their right to use The Ridge tennis courts. The suspension will last until the problem has been resolved and applies to all members of the household. The property manager will also require that the household return the tennis/pool gate key for the duration of the suspension. Furthermore, the tennis committee will be made aware of the non-compliant household and notify, but not limited, to ALTA and or any other Ridge-based tennis organization that the resident is no longer allowed to use The Ridge courts until the issues have been resolved. Household is subject to fine for each violation.
- The Courts are open from 7am to 10 pm daily.
- The Courts are for tennis use only.
- Courts are open on a first come, first serve basis, unless reserved.
- Use is limited to 2 hours.
- To reserve a Court, sign up on the message board located near the Court's front entrance.
- Guests must be accompanied by a resident.
- Only tennis shoes are allowed on Courts. Black soled shoes are prohibited.
- No food or glass containers are allowed on Courts.

- The last players to leave the courts should turn off all lights.
- Play at your own risk.

50. Excessive Pet Waste / Excrement

It is every pet owners' responsibility to make sure that their yard is free and clear of pet waste before their lawn service day. Not cleaning your yard before your service day can result in your yard not receiving service that week and or until the waste is removed. Additionally, pet waste should be removed regularly throughout the year. Pet waste is unsanitary, unsightly and emits unpleasant odor.
